A student enters high school,
 Frightened, hopeful, searching for himself.
 It is here that he begins to discover his true identity,
 What is to be his image for the rest of his life.
 He leaves school a slightly different person,
 One who is a little more confident,
 a little more knowledgeable.
 He ventures on to new things,
 A job, another school, a home and family of his own.
 Whatever he becomes, whatever he makes of himself,
 A part of him has been shaped by the forces from which he comes.
 He has been patterned by his teachers, his courses, his activities.
 He has embarked upon a unique path, one which he alone will tread.
 He has begun to realize himself.

The school itself -
A brick building,
a classroom, a lunchroom, a gymnasium.
Yet something more than a building,
something besides empty rooms,
the school presents an opportunity,
a chance,
for growth and learning.
There are the teachers,
the equipment,
the other students,
that make a mere building come alive.

ACADEMIC

An Old English epic,
A modern dance.
An equation,
A Sousa march.
Each can be studied,
Each mastered.
And with mastery comes knowledge,
Knowledge of others and knowledge of self,
Which will guide, which will steer,
The unknowledgeable student.

D. Stein and L. Smith discover the enjoyment of public speaking.

ENGLISH

Increased team teaching on the senior level and coordination of the U. S. History classes marked progress in English skills and techniques. Increased interest in special courses resulted in two semesters of creative writing, a new debate course, and a larger debate workshop. This year brought with it a complete review on each class level of the basic building blocks of an English background - grammar and vocabulary, as well as an introduction to the world's great literature, from Shakespeare to Thoreau.

An expanded program of team teaching has been introduced at the senior level.

Miss Zelznick and W. Siet discuss a recent English assignment.

Coordination With History Department Benefits Juniors

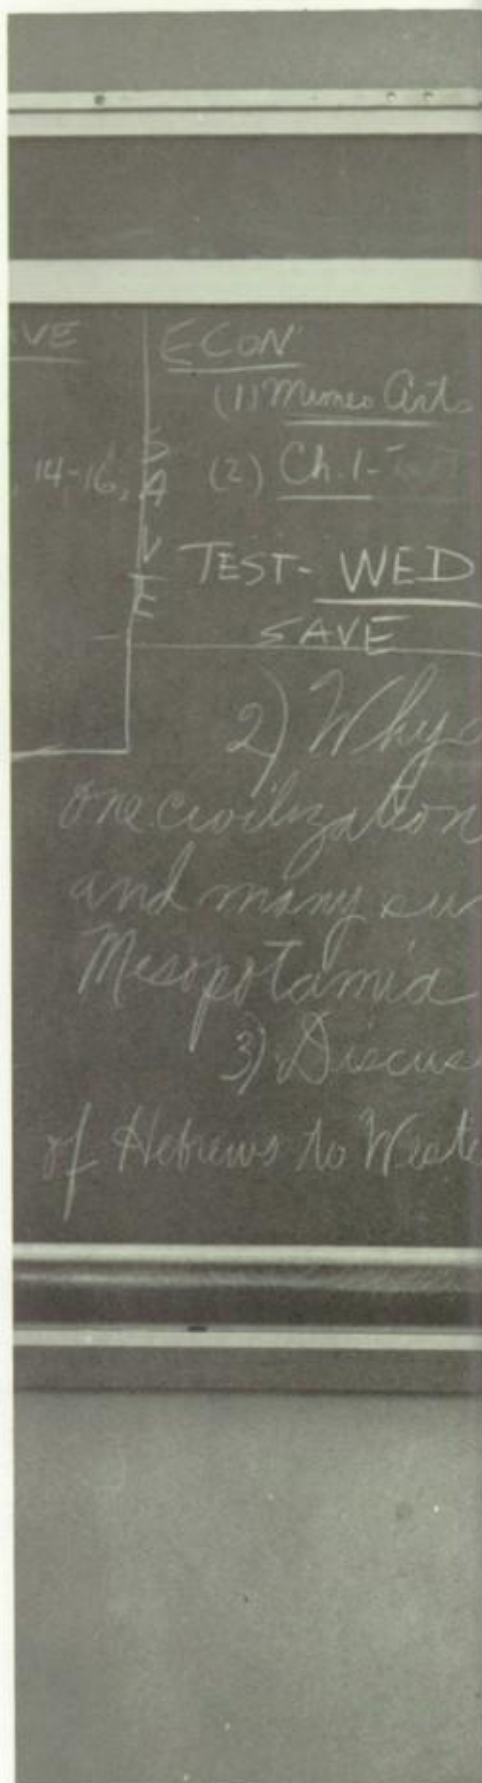

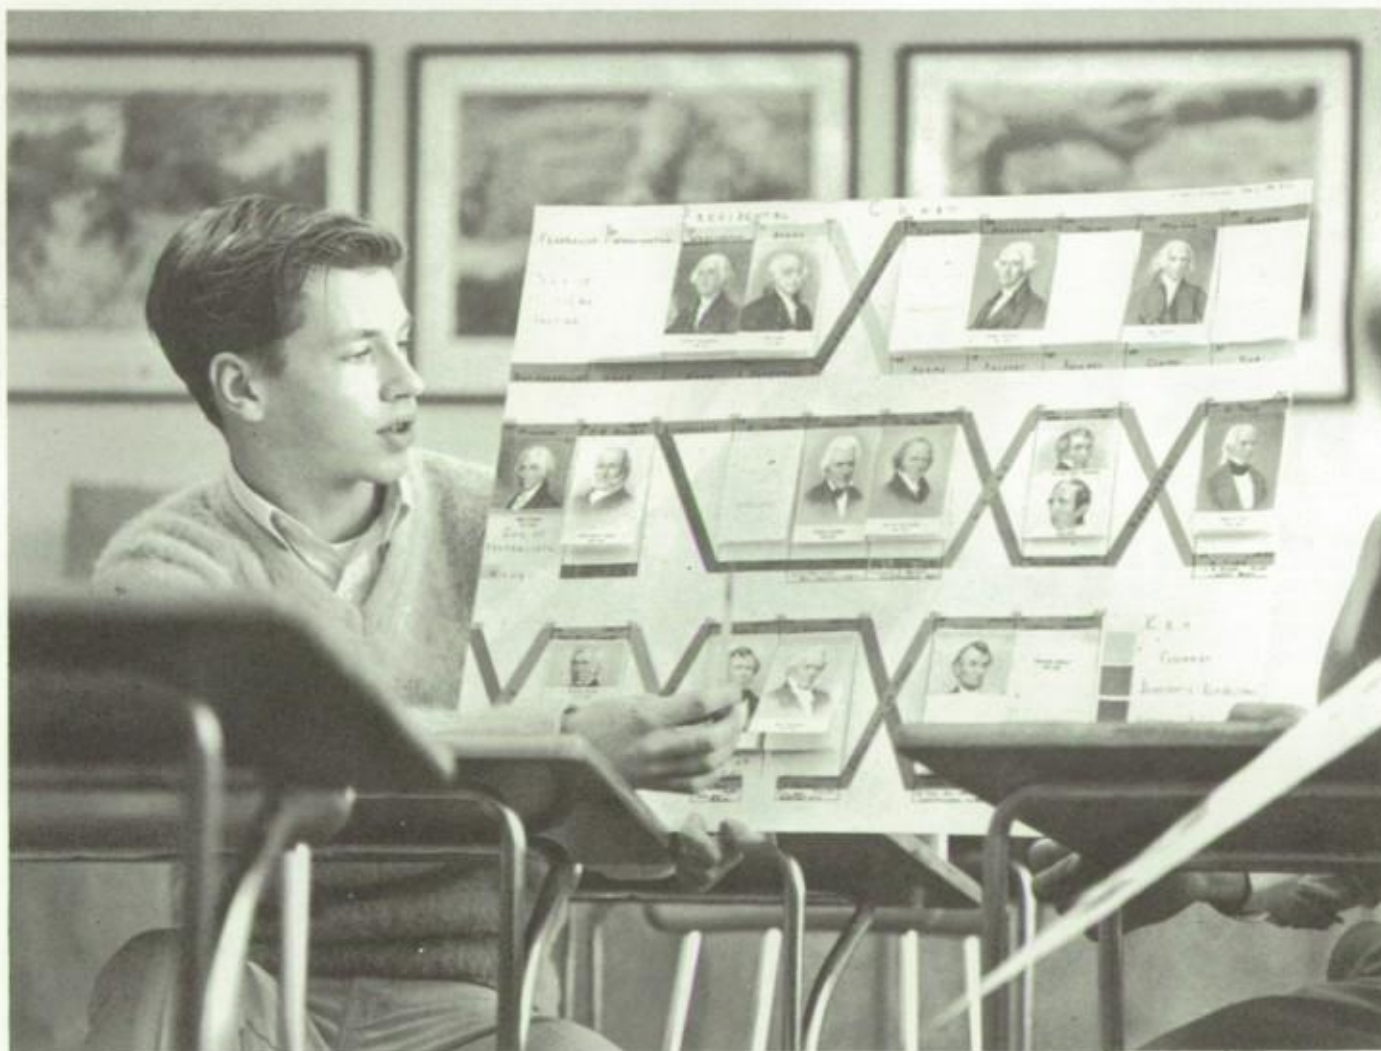

The tape recorder allows students to objectively criticize their own oral expression. T. Murfin, J. Cedarbaum, H. Lebovitz, D. Durston, M. Shandelson, E. Stral.

SOCIAL STUDIES

To look at ourselves, as a nation and as individuals, is the aim of the Social Studies Department. The facts are presented in history courses, psychology, economics, and sociology, as well as in the newly created humanities seminar. We draw our own conclusions - form our own opinions. Through the study of other peoples and their cultures, we try to understand them; for to understand them is to understand ourselves and our own motives.

B. Pearson analyzes the organization of another student's presidential chart.

Double Laboratory Periods Aid Discovery

.SCIENCE

All laboratory courses have double periods two days a week to provide time for the valuable experiments needed to rediscover facts and apply them. Two Science Seminars a day provide incentive for individual discovery and instruction in such arts as glassblowing. Many phases of the Science Seminar program are conducted in conjunction with the Industrial Arts Department. An entirely new second year Biology course is being offered, and an APP Physics class made its appearance for the first time this year.

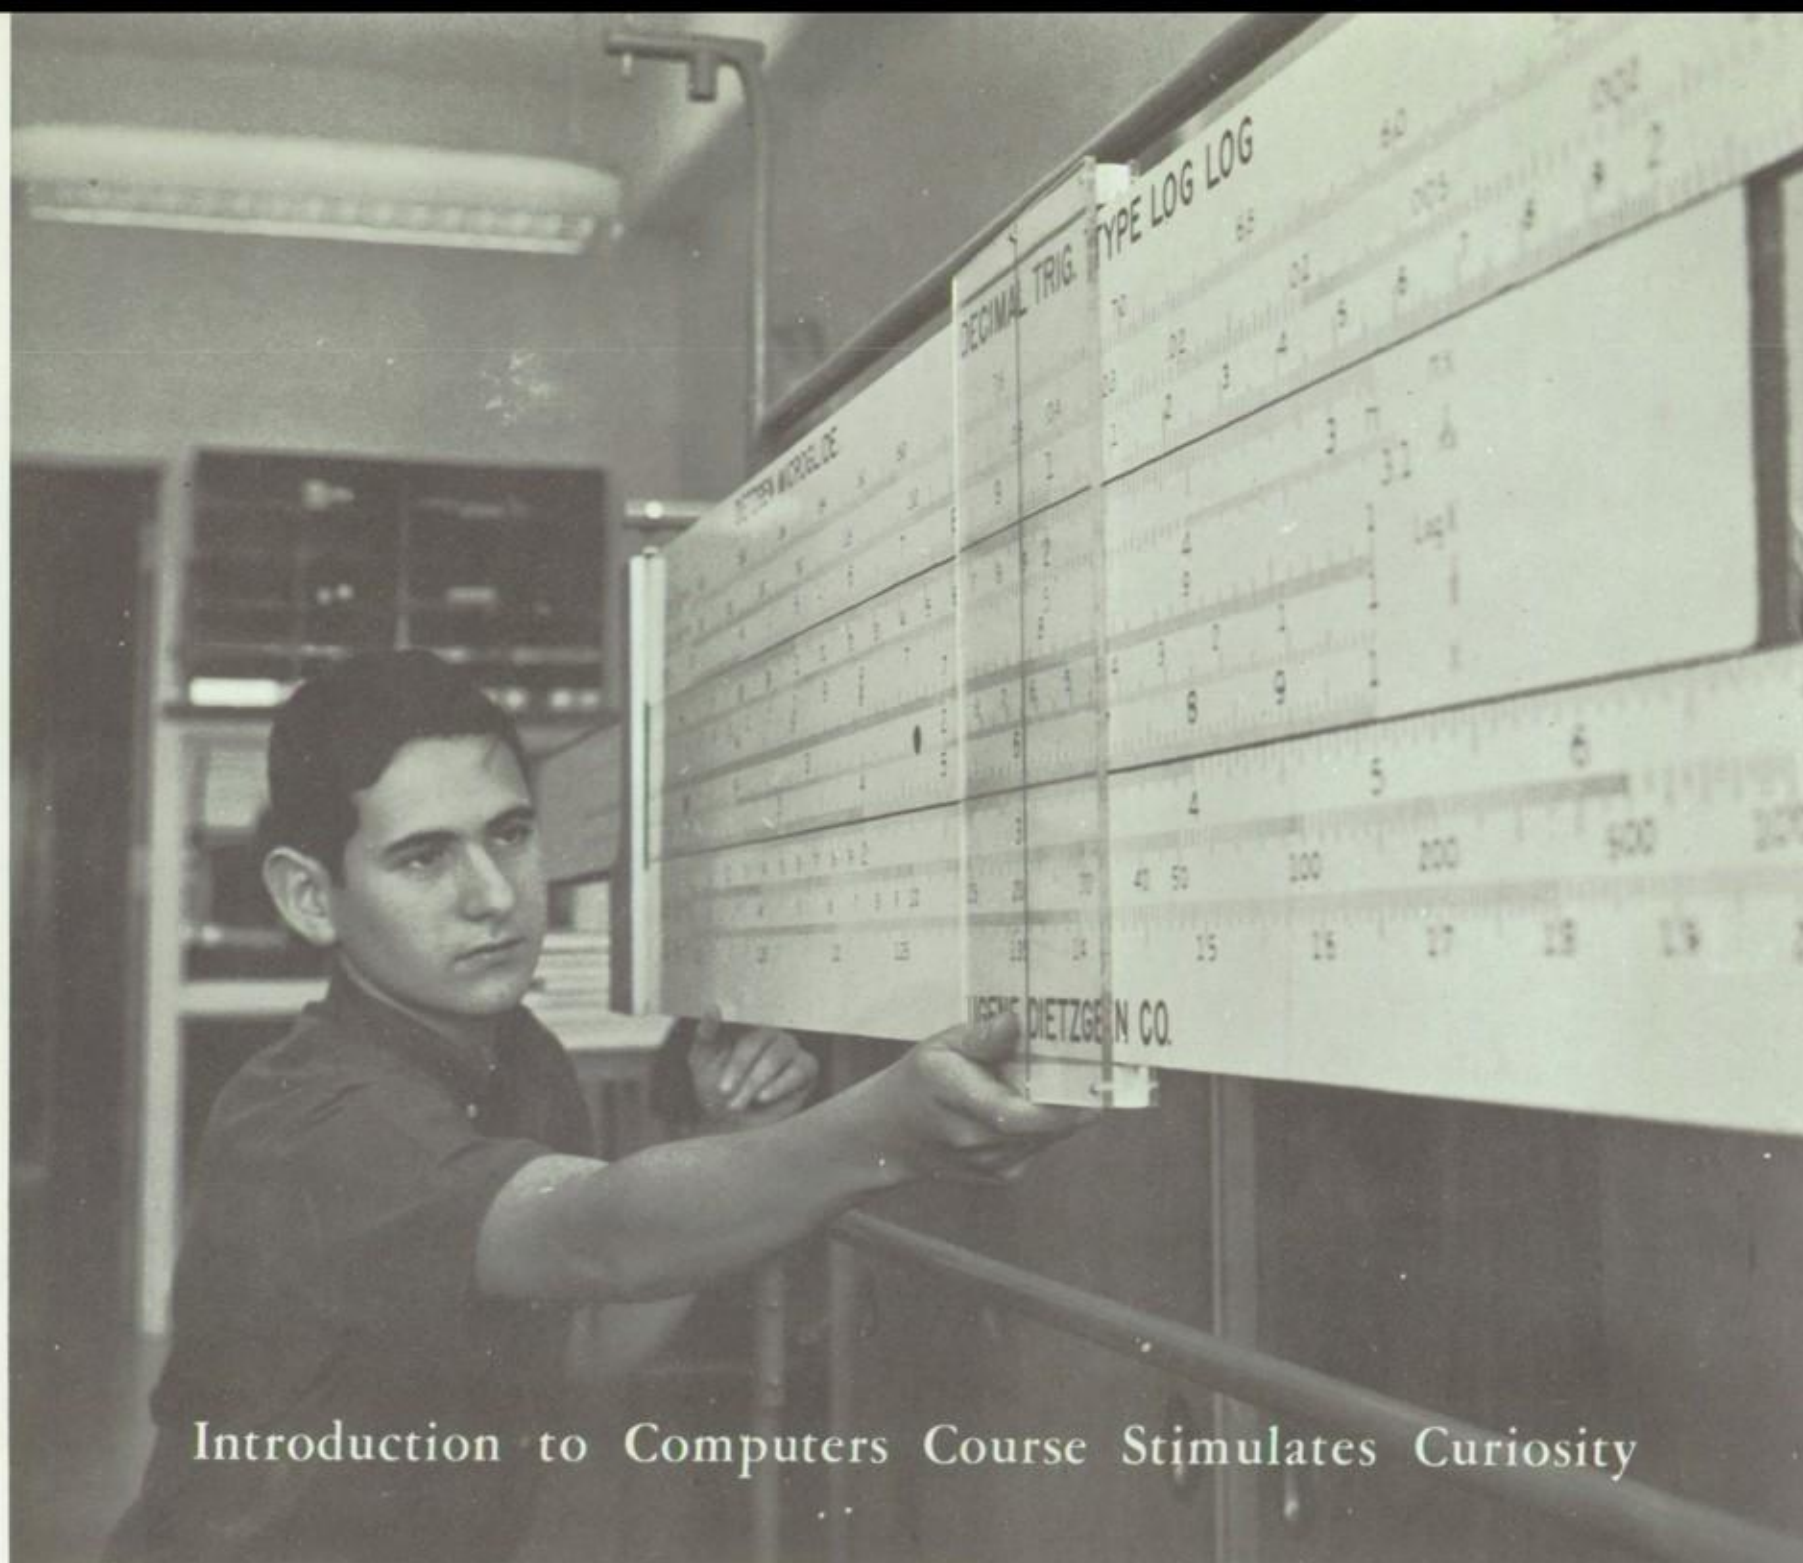

A. Motyl and S. Zelenka recognize the importance of accuracy in scientific measurement.

Introduction to Computers Course Stimulates Curiosity

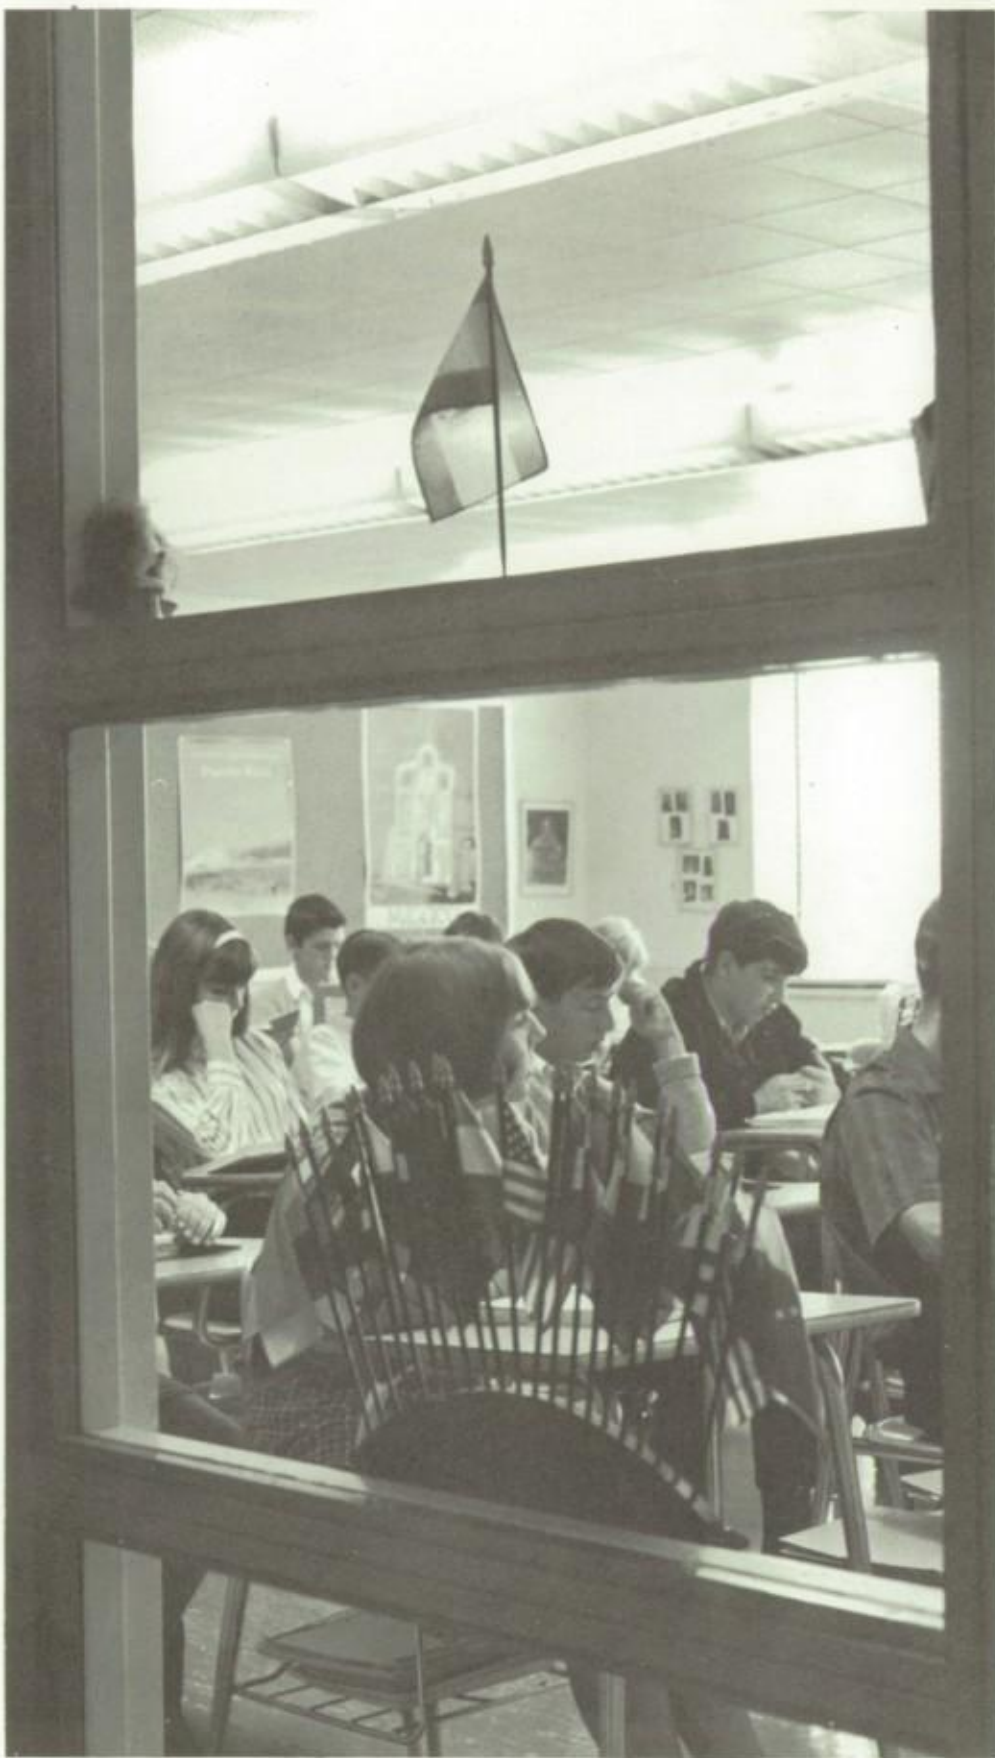

R. Rosenberg demonstrates the time-saving method of multiplication on the slide rule.

MATHEMATICS

Logic and reasoning, in the search for truth, are the essence of mathematics. Recent advances in the field of mathematics resulted in new courses offered such as this year's Introduction to Computers. Last year's new courses were expanded - such as the Analytic Geometry and Calculus Course as a permanent class to follow Advanced Algebra and Trigonometry classes. A highlight of the year is the annual state-wide Math contest, a challenge in ingenuity and original thinking.

Math classes make extensive use of the overhead projector.

The display of flags of the Americas represents the cultural study that plays a major part in the language program.

FOREIGN LANGUAGE

To study not only how to speak a language, but also the culture of the people who speak that language, is to attempt to create understanding among the peoples of the world. Through foreign language films, film strips on foreign countries, extra readings in addition to the texts, foreign recorded tapes, and extensive use of the language laboratory, the power of language is shown as a tool for world peace and understanding. Foreign language study halls provide aid for the serious language student. Language is today's vehicle for a better understanding in tomorrow's world.

Language Study Halls Urge Excellence

German students follow along as their teacher gives correct pronunciation and accent.

Language lab drill tapes for correct structure and usage increase oral proficiency.

Range of Domestic Skills Widens

HOME ARTS

Sewing, cooking, and home management are taught in the Home Arts Department to prepare girls for the time when they will manage their own homes. With the development of these domestic skills, each girl gains knowledge and enrichment which she will value all of her life. With an ever-increasing range of skills and interests, a third year clothing course has been added, as well as a housing and home furnishing course which is taught in the drafting room of the Industrial Arts Department.

G. Davis, M. Stern, and S. Avella remove connecting rods to dismantle the engine they are working on.

D. Tripicchio masters basic skills on the industrial band saw.

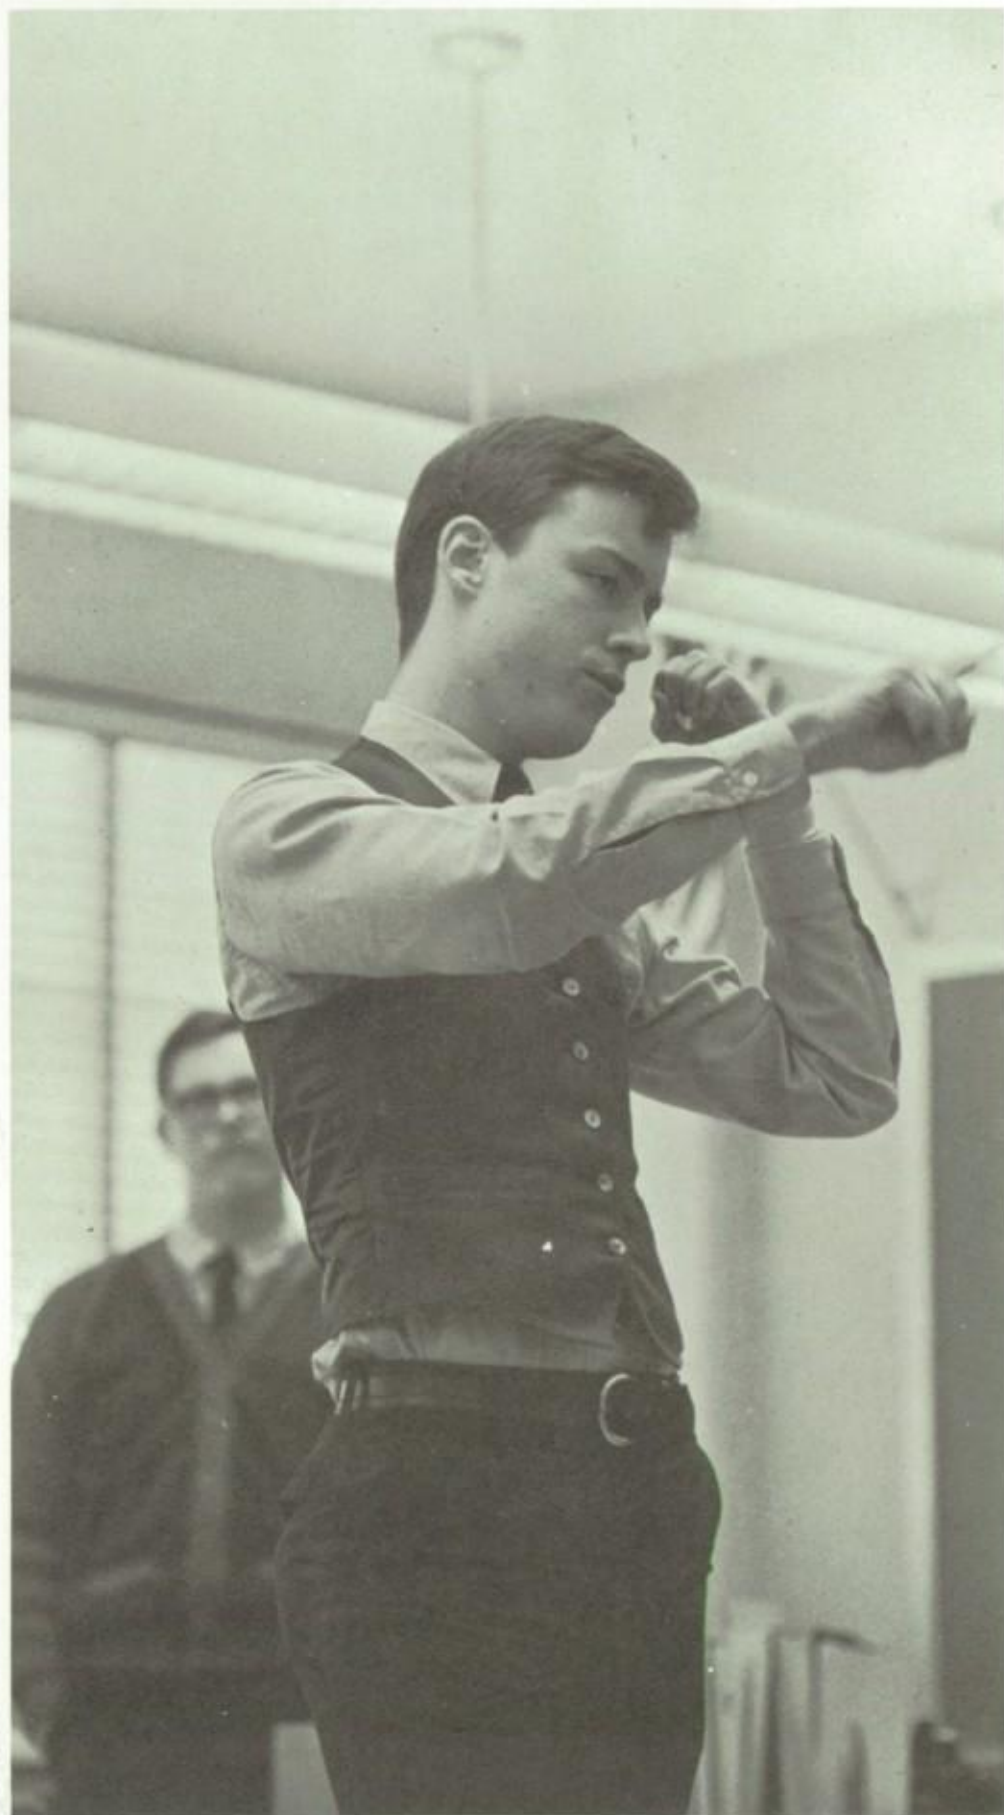

INDUSTRIAL ARTS

To achieve manual dexterity for a career in our mechanical age, to teach, to train, and to challenge is the task of the Industrial Arts Department. Auto mechanics, electricity, printing, and industrial drawing all train students for the future. Science Seminars are held in conjunction with the Science Department and concern such subjects as glass-blowing and computer analysis. Amateur short-wave radio operators have contacted many countries all over the world. Industrial arts not only prepares young men for the future, but enriches their daily lives.

Creativity—Key to Fine Arts

FINE ARTS

Creativity is the essence of the fine arts. The means and results of creativity are discipline, sensitivity, and personal satisfaction and enjoyment in the Music and Art Departments at Niles West. Our band provides enthusiasm at football and basketball games and sturdily marches in parades. The choruses, orchestra, and bands present spring and winter Festivals. An annual art show introduced the works of the art students to the rest of the student body - in the form of sculpture, three-dimensional figures, and exercises in cloth, wood, and clay. A new dramatics workshop, two drama courses, and a stagecraft workshop develop much of the talent for Pow Wow, the musical, and the spring play.

Business Career Opportunities on Rise

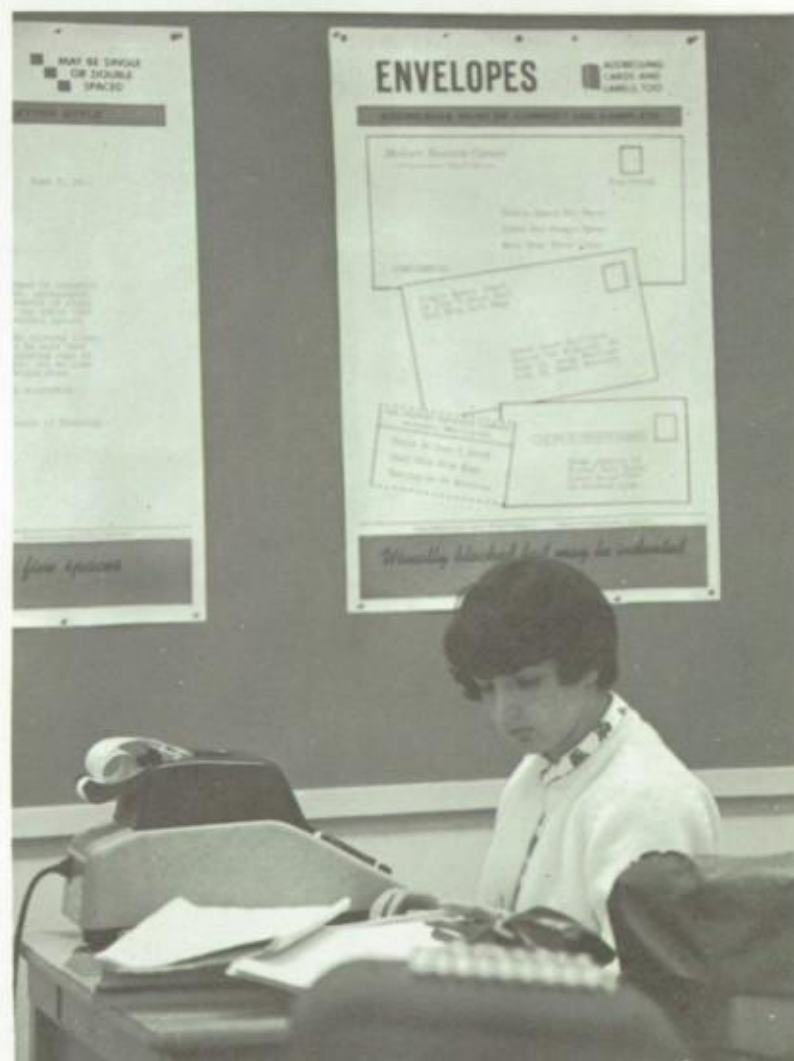

BUSINESS EDUCATION

The clatter and ring of typewriters in the business education wing is indicative of the busy and vital atmosphere found there. A wide variety of courses, from business law to secretarial practices to sales advertising, offer the latest level of instruction available to the office-bound student. For the college-bound student, invaluable courses such as typing and notehand provide the important preparation for success in higher education.

The importance of safety in driving any vehicle cannot be underestimated. West's driver education program offers each student an opportunity to be trained to cope with any driving situation which might arise. The training program is divided into three phases. The first consists of a classroom study, extended for the first time to eight weeks this year. The second is drivo-trainer sessions, in which actual driving conditions are synthesized in a classroom. The third is actual practice behind the wheel of an automobile. An increasingly active Safety Council marks this year as a step towards traffic safety.

DRIVER EDUCATION

Safe Driving an Attainable Goal

Students hopelessly ponder the possibility of their drivo-trainer cars miraculously turning into real ones.

Miss Parkhouse demonstrates the discus.

GIRLS' PHYSICAL EDUCATION

The goal of Physical Education is to attain a balance of physical and mental fitness. Not only is physical fitness taught at Niles West, but competitive instincts are nourished, a sense of fair play and sportsmanship developed, health and well-being stressed, and the concept of graceful movement established. Mental ability and alertness become second nature through practice in sports, competition, and dance.

Mrs. Schulman shows J. Sigrist proper wrist action for use of the buoy in life saving.

C. Klein does not seem bothered by the fact that there are holes in the golf balls she is using for practice.

**Physical Fitness Plays
Important Role**

BOYS' PHYSICAL EDUCATION

The Greek ideal of "a sound mind in a strong body" is one of the major concepts on which the physical education courses are based. Through such sports as basketball, football, baseball, wrestling, volleyball, and swimming, good sportsmanship as well as physical fitness is taught. Strength and endurance are stressed in the sports offered such as track and gymnastics.

Pre-activity warm-ups are necessary to prevent muscle strain.

Good Sportsmanship Stressed in Physical Activities

Boys engage in soccer as their fall, outdoor physical education activity.

The ultimate goal of the Board is to meet all the needs of the students, as well as the adults, of the community.

The others have one, two, or three more years in the school, and hopefully they will make these years as enriching as their abilities permit.

High school is an extremely important segment of one's life, and the few years spent in secondary education should be productive - productive so that one can come to realize his desired goals.

It is my personal wish that all of you achieve what you desire most; and that in whatever you do, you hold the principles taught you at Niles West in the highest esteem.

The publication of Apotheosis made it possible for all students to read and to enjoy this imaginative writing. Members of the club were chosen on the basis of the articles submitted in two contests, the former open only to freshmen, and the latter, to the entire student body.

STUDENT COUNCIL PLANS FOR FIRST NILES WEST RADIO STATION

Student Council members B. Braude and M. Garland sell an Ugly Man Dance ticket to J. Milner.

Student Council is more than a link between the student body and the administration. It is a dynamic organization which provides students with the opportunity to express themselves and to develop their leadership capacities to the fullest extent. This year, a new sponsor and new ideas shaped Student Council's activities. In order to accurately represent all students, motions were not acted upon immediately following proposal, but rather were submitted first to the student body in the form of an agenda. Student Council sponsored the Freshman Mixer, the Administrative Forums, the A.F.S. chocolate sales, and the Ugly Man Dance. Student Council also began working to establish a Niles West Radio Station.

Student Council members display strong leadership qualities.

UNITY BOARD ORIGINATES SPECIAL EVENTS BULLETIN BOARD

Unity Board is a club of leaders, composed of officers or representatives from each organization in the school. Its purpose is to improve communications between clubs, and in so doing, provide benefits for each organization. This year Unity Board assisted in the sponsoring of the District Gymnastics Meet, and it established a Special Events Bulletin Board near the Main Office. In general, the organization provided a meeting ground where the various clubs of the school could share their problems and investigate possible solutions.

Aside from planning and decorating each union, the Board exhibited a Class A float for Homecoming and created a booth for the Kaotic Karnival.

ART COUNCIL SUPPORTS ART GALLERY

Art Council is a hard-working club devoted to promoting an interest in art in both the school and the community. This objective was partially obtained through student art exhibits which greatly enhanced the school's atmosphere. At meetings, members participated in either group or individual projects and thus furthered their knowledge of the various art forms.

The many members of the group made up the majority of those who worked in the drama department, including cast and crew of major productions, Children's Theater, and Forensics. Formal meetings usually consisted of speeches in drama, given by authorities from within the school system. The Thespian banquet, and field trips to see *The Odd Couple* and *The Crucible* marked the highlights of the year for Spotlighter members.

Practice debates, drill sessions, individual work conferences, and workshop sessions prepared the team members for the various inter-scholastic debate and speech activities in which they participated.

SPECIAL EVENTS

A crowd of people---
 In the stands,
 At a dance.
 All separate beings,
 Yet all with a common goal---
 A desire to find an identity,
 To realize the self.
 Each event an opportunity---
 To reach that goal,
 To develop that self.

HOMECOMING '66 ---

OR LEUCTRA REVISITED (?)

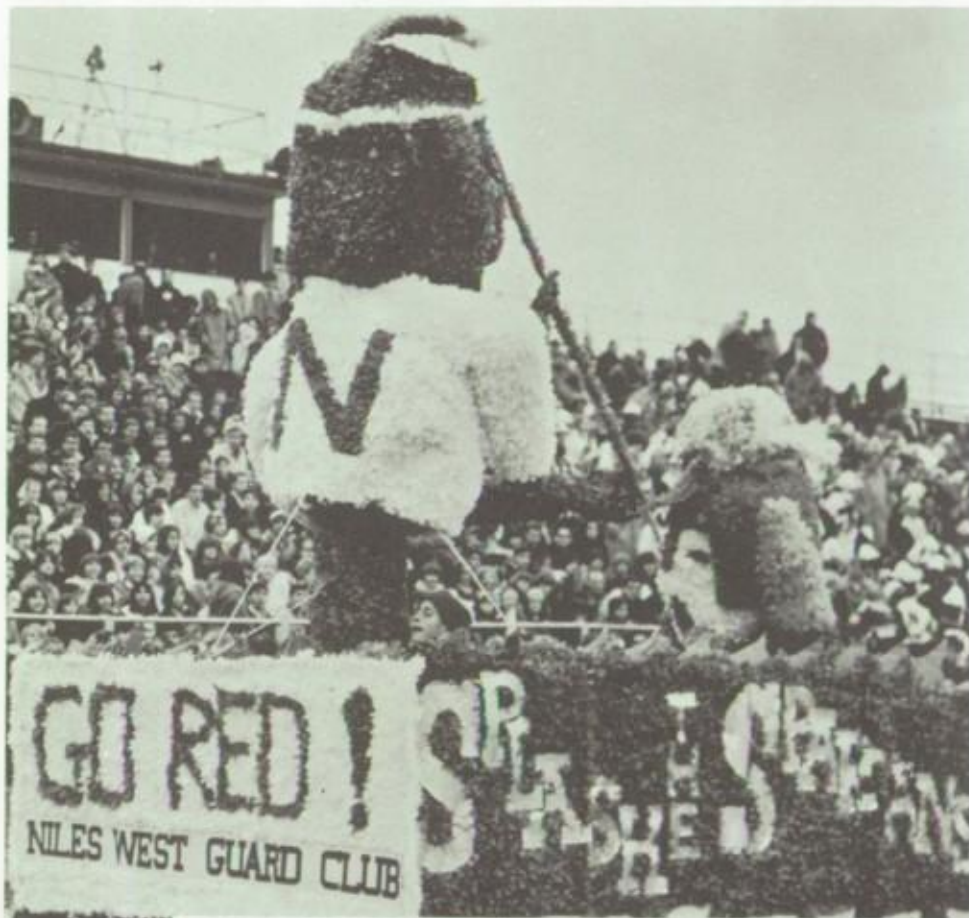

K. Olson

Medical Careers Club displays its winning float, "We'll Get Them in the End!"

Guard Club's winning float proclaims; "Splash the Spartans!"

One might think that unseasonably cold weather and a streak of ill fortune in Big Red's loss to Deerfield's Spartans would have been enough to squelch the spirit of any avid Indian. "Not so," (hypothetically) yelled the student body, noticeably among them the Homecoming Committee. Nothing, not even the fatal flight of most of Student Council's float, could dull the prevailing atmosphere of enthusiasm. The weekend's activities culminated in Southern gaiety at the dance, Belles and Beaus. It was obvious that, in spite of a little bad luck, "the West had won" --- some memorable experiences.

Student Union Board proudly parades its winning Indian.

Students sadly look upon the destruction of their every effort.

The crowd cheers on "Big Red."

BOOSTERS DONATE THUNDERBIRD

The Niles West "Thunderbird," a giant red-cedar totem pole, was presented to the school by the Ni-We-Hi Indian Boosters Club. The totem pole, carved in and transported from British Columbia, Canada, measures 35 feet high, 28 inches across the base, and weighs 2,200 pounds. This new symbol of Big Red serves as both an embodiment and a reminder of our school pride and spirit.

Children's Theater, a relatively recent addition to West's Drama Department, now plays to audiences from the entire Chicago-land area. To be more truthful, this group provided entertainment not only for children living within the township, but also for those participating in Project Share. In the short time since it first began to function, Children's Theater has developed a reputation for outstanding presentations which can charm and delight children of any age.

We're stuck to the goose and we can't get loose!

Pow Wow, West's all-school talent show, centered around a 400-year-old couple, who, through the use of a swing which moved forward in time as well as in space, were propelled into the dynamic world of 1966. The various acts in the show enabled the couple to observe certain characteristics of modern life: computers, popular music, and miniskirts. The idea of having three performances of Pow Wow, rather than two, proved to be successful.

SNOW EXTENDS SEMESTER BREAK

The "great snow of '67" will be remembered as remarkable by both history in general and Niles West students in particular. The record-breaking snowfall of 24 inches, making normal transportation impossible, brought walking and the dog sled back into fashion. The usually-adamant hierarchy of school officialdom was forced to relent, and, joy of joys, West's students were blissfully allowed to enjoy an extra week of freedom.

In spite of the meteorological search for an explanation, this phenomenon actually has a very simple cause. Maybe our mascot could patent his victory dance --- it seems to work just as well for snow.

The milling masses

K. Dohm, H. Goldman (the "ugliest"), M. Oscarson, T. Kushner — any resemblance to Homecoming Court is purely incidental.

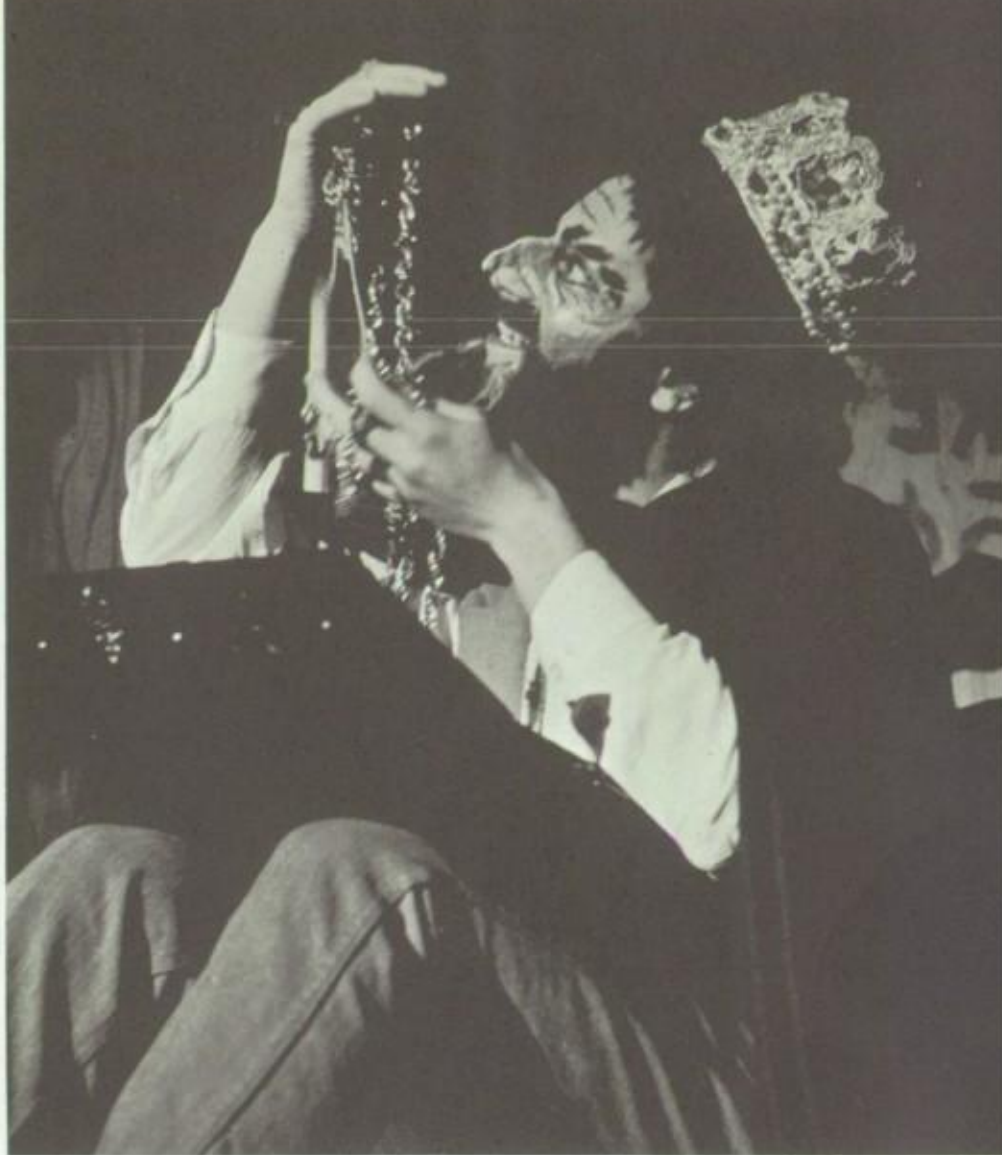

SOPHS CELEBRATE "UGLIEST"

Ugly Man week is one of competition between the four class levels, each of which strives to win the most money for its candidate and thus to have him crowned as "the ugliest." Underlying the competition is the more positive goal of raising money for a worthy cause; this year's profits have contributed to the \$4000 necessary before West can begin to equip a radio station. The student-run station, hopefully to be realized some time in the near future, will enable those interested to participate and thus obtain experience in areas of both mechanical operation and actual broadcasting.

"Food, glorious food"

T. Weidberg, S. Klatch

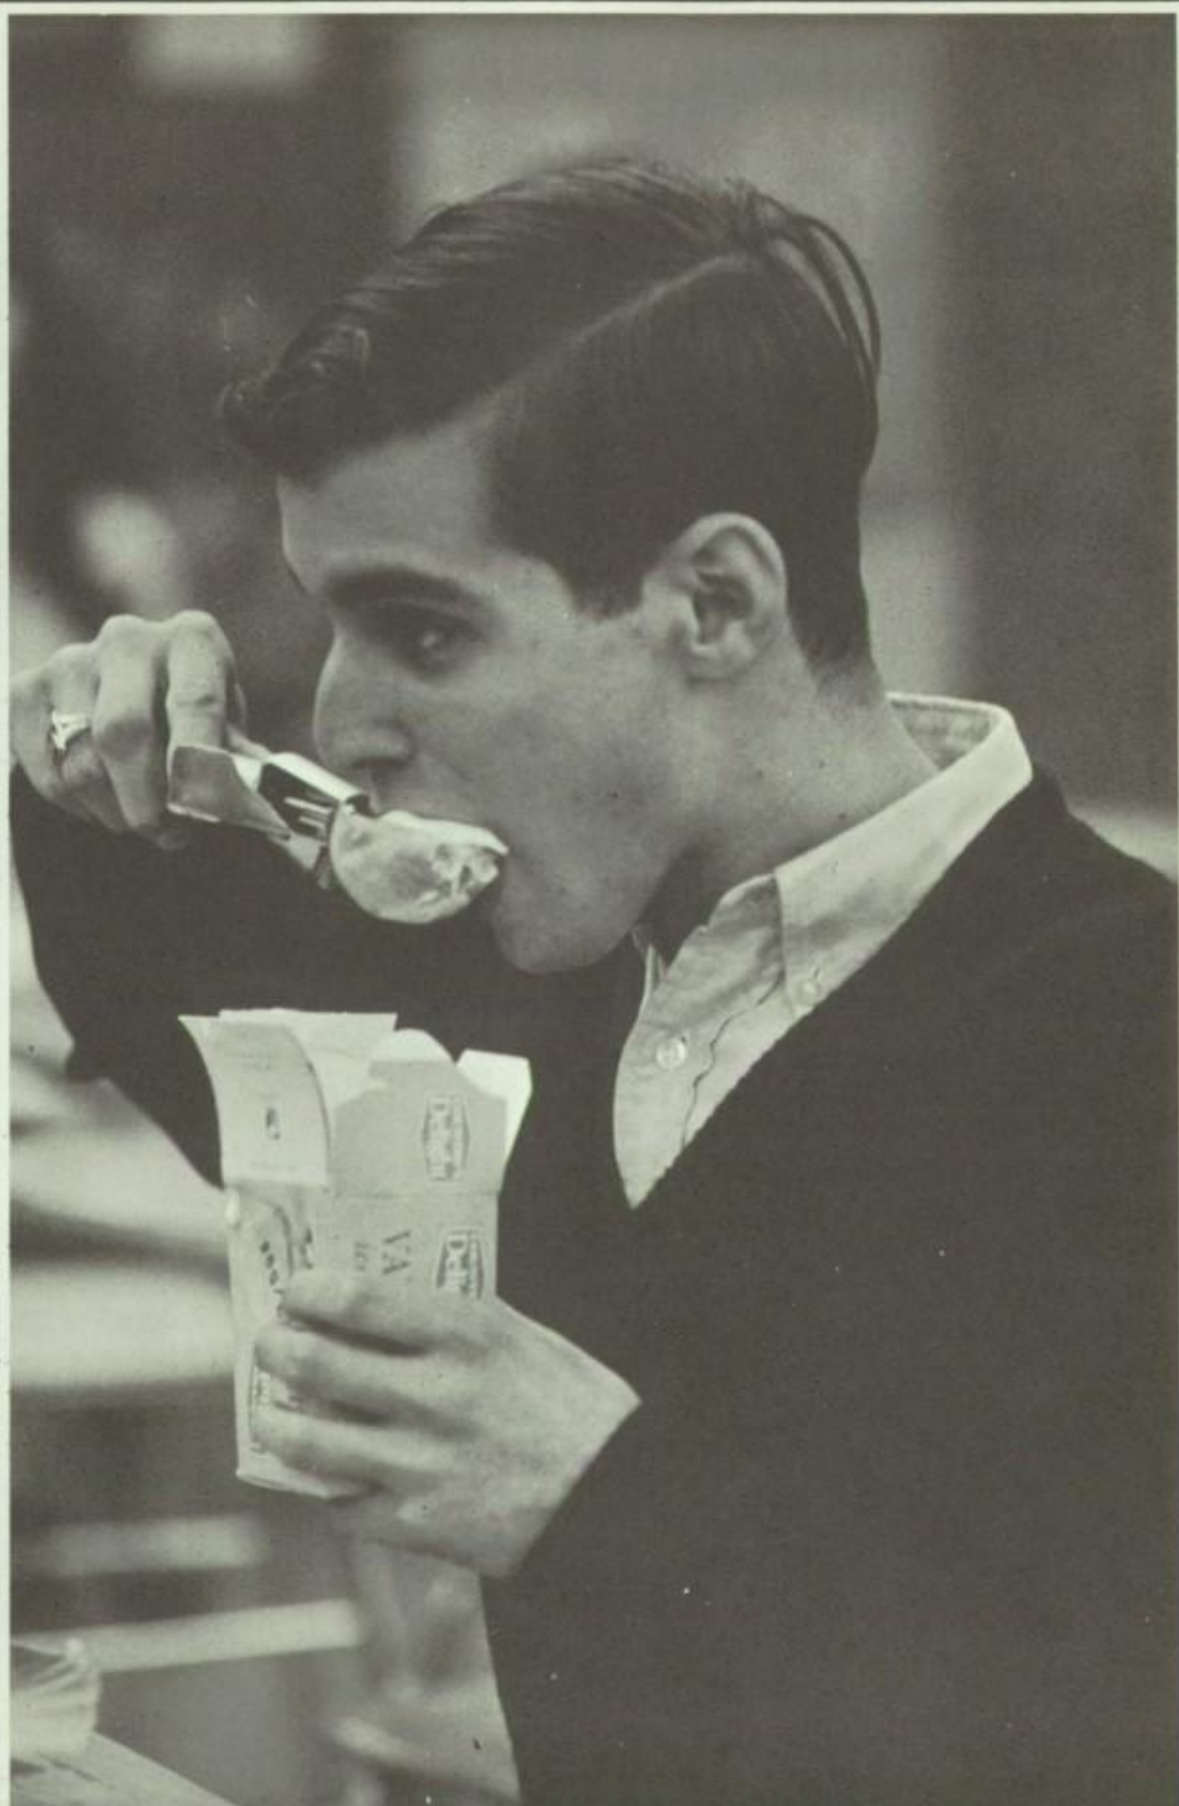

The spring musical "Oliver!" was presented Friday, April 7, and Saturday, April 8. Based on the novel by Charles Dickens, *Oliver Twist*, the play moved enchantingly through the life of a spirited orphan portrayed by freshman Terry Weidberg. Oliver became "educated" through his acquaintance with the unique Fagin, played by senior Murray Moss and junior Chuck Honnet, who was a fascinating combination of shrewdness and insightful contemplation.

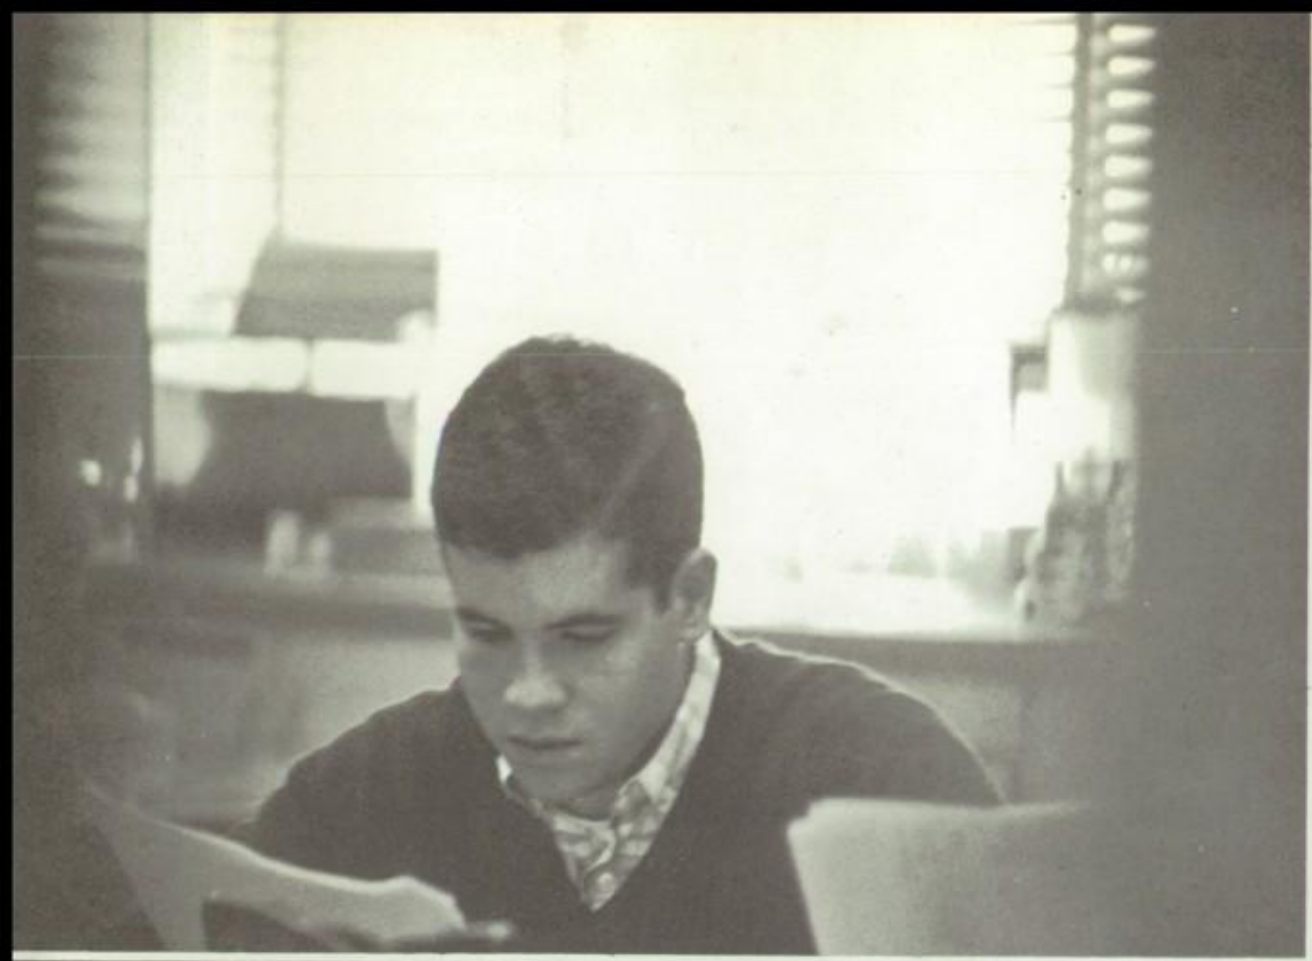

Also featured were seniors Caryl Pearson and Andi Lapins in the role of Nancy. The twelve young members of Fagin's gang contributed to the freshness and vitality of the performance. The stage crews, who built the intricate and elaborate revolving set design which highlighted the musical, deserve much praise. The total unity of the production of "Oliver!" illustrated with definity the unending capability and flexibility of enthusiastic workers.

SENIORS

Ready to leave, to embark upon a journey into a new kind of life,
The senior has spent four years learning about himself and others.
Wiser than when he entered school as a freshman,
Surer of his place in the school and in the world,
The senior exudes a confidence which reassures the underclassmen beneath him.
He has established a direction,
Gone is the labyrinth of the mind, the hopeless confusion of the high school years.
His compass has been fixed.

Senior Class. The Great Class. There's so much to do. Continually pushing toward and pulling away from Graduation at the same time. Four years, four fast years, almost to an end. There's so much to remember. There's still so much to do. New ideas--a Barn Dance, Senior Night. Will it work? Who knows? We know--we'll make it work. September 6, 1966-Utter bewilderment crosses the faces of 800 newcomers to Niles West. "Nine periods? 5A? Student Accounting Office? What's going on?"

Things have settled down considerably since last fall. Ever since the first pep assembly where the frosh began to cheer for themselves and for Niles West, they have been making their mark in the school, from winning Red and White Day competition to plans for a dance during the year. As any freshman can now tell you, "5B is when I eat."

The 1966 Varsity football team was one of the most successful to represent Niles West in the last few years. Finishing with a 4-1 record in the Central Suburban League, the team turned in a virtually flawless performance. Its only defeat came in a hard fought battle with Deerfield who eventually ended up leading the league.

The success of the team this season cannot be attributed to a specific strong point. Probably the main reason for its brilliant showing was consistency. This can be seen in the fact that West did place six players on the All-League team. They were Bob Potoker, Burt Perlow, Dan McAvoy, Greg Zera, Bruce Pindras, and Mike Pepper. Jim Morten was selected Honorable Mention. Other standout performers were Donn Simon and Mike Grejbowski who, with many other capable junior players, will form the nucleus of next year's team.

M. Pepper (42) and M. Grejbowski (14) defending on a deep pass.

Fullback J. Morten (45) plunges for some hard earned yardage.

F. Erhardt (77) and M. Matchen (81) stop the play for no gain.

McAvoy (74) comes through again.

B. Pindras (82) moves in for a tackle.

B. Perlow (20) drives for a first down.

This year's Sophomore football team compiled a record of 2 wins and 3 defeats. Despite this showing, the team did turn in a favorable performance. Having lost the first two league contests by extremely small margins, it finally started the offense rolling. The team standouts were Chuck Lange and Randy Freidman.

The Freshmen A and B teams had records of 1-4 and 2-3 respectively. Despite a rather difficult season the boys still managed to show great spirit and determination at all times.

The 1966-1967 Big Red basketball team turned in one of the most exciting performances in many years. Having started off slowly, the Indians had that never-give-up attitude that brought them within two points and seven seconds of defeating Deerfield for the league crown.

Even though the team finished second with an excellent 6-4 record, they never let anyone down. The determination exhibited by them will be hard to equal. It is very difficult to select one outstanding player, for everyone played an equal role in all of our victories throughout the year. However, we did place two players on the All-Conference team. They were George Timmings and Al Chapman. These boys along with Bruce Pindras, Mike Pepper, and Paul Gans, composed the starting unit that never gave up.

This years J.V. was by no means inferior to their varsity counterparts. They turned in a fine 4-3 record in league competition. Coach Schnurr will have some fine material from this years team to bolster our Varsity next year.

This year's Sophomore basketball team finished with an excellent 5-2 record. Coached by Mr. Earl, the Sophomores turned in one of their more successful seasons in the last few years. Players on this year's team will probably add depth to next year's Varsity and J.V.

The Freshman "A" basketball team turned in a spectacular undefeated 7-0 season. This was one of the most successful basketball seasons in Niles West's history, on all levels.

This year's Varsity Swimming team turned in a creditable performance in what has to be termed a difficult season. According to Coach Cajet, West was involved in some of the toughest competition in the state. One highlight of this season was that for the first time West sent three team members to the State Meet. They were Don Cashmore, Mike Pontarelli, and Frank Walthers. Cashmore, a sophomore diver, took third place and is expected to be a leading contender in his last two years at West. Other outstanding performers were Ralph Robbins and Barry Fleishman. This year's team did have its troubles, but still shattered five Niles West records.

This year's varsity gymnastics team was hampered by a lack of depth which was seen in the teams dual meet record. However, the unusual amount of outstanding individual performers, enabled the team to attain success in larger meets. The team coached by Mr. Burkel finished 2nd in the conference, 4th in the district, and 4th in State competition. Team captain Terry Kushner, Steve Rochell, and Marc Shapiro, were largely responsible for the fine showing this year. If the team had had enough depth to back the boys up, it would have been more successful in dual competition.

Captain Terry Kushner has to be considered the teams main stay, for he participated in four events per meet and was the teams leading scorer. He received first place honors in the conference meet on both the horizontal and parallel bars. In State competition he received fourth place in both the all-around and horizontal bar events. Marc Shapiro also received a first place in the conference on the side horse and capped a most successful season with a fifth place in the State competition. Steve Rochell turned in a completely flawless season being undefeated in 17 consecutive meets. He was conference, district, and State champion in the still rings events. Having won the State championship in his junior year also, Steve is now the only two-time State champion in Niles West's History.

The Sophomore gymnastic team was extremely successful during the 1966-1967 season. The team, coached by Mr. Armour, finished 2nd in the Central Suburban League. Among the outstanding performers on the team were the following: Pete LaLoggia and Al Chin were all-around performers and finished 2nd and 3rd respectively in the conference. Terry Natkin was conference still ring champion, Rick Peller finished 2nd on the horizontal bar, while Art Lovering was 3rd in tumbling. All these boys are expected to be excellent varsity gymnasts.

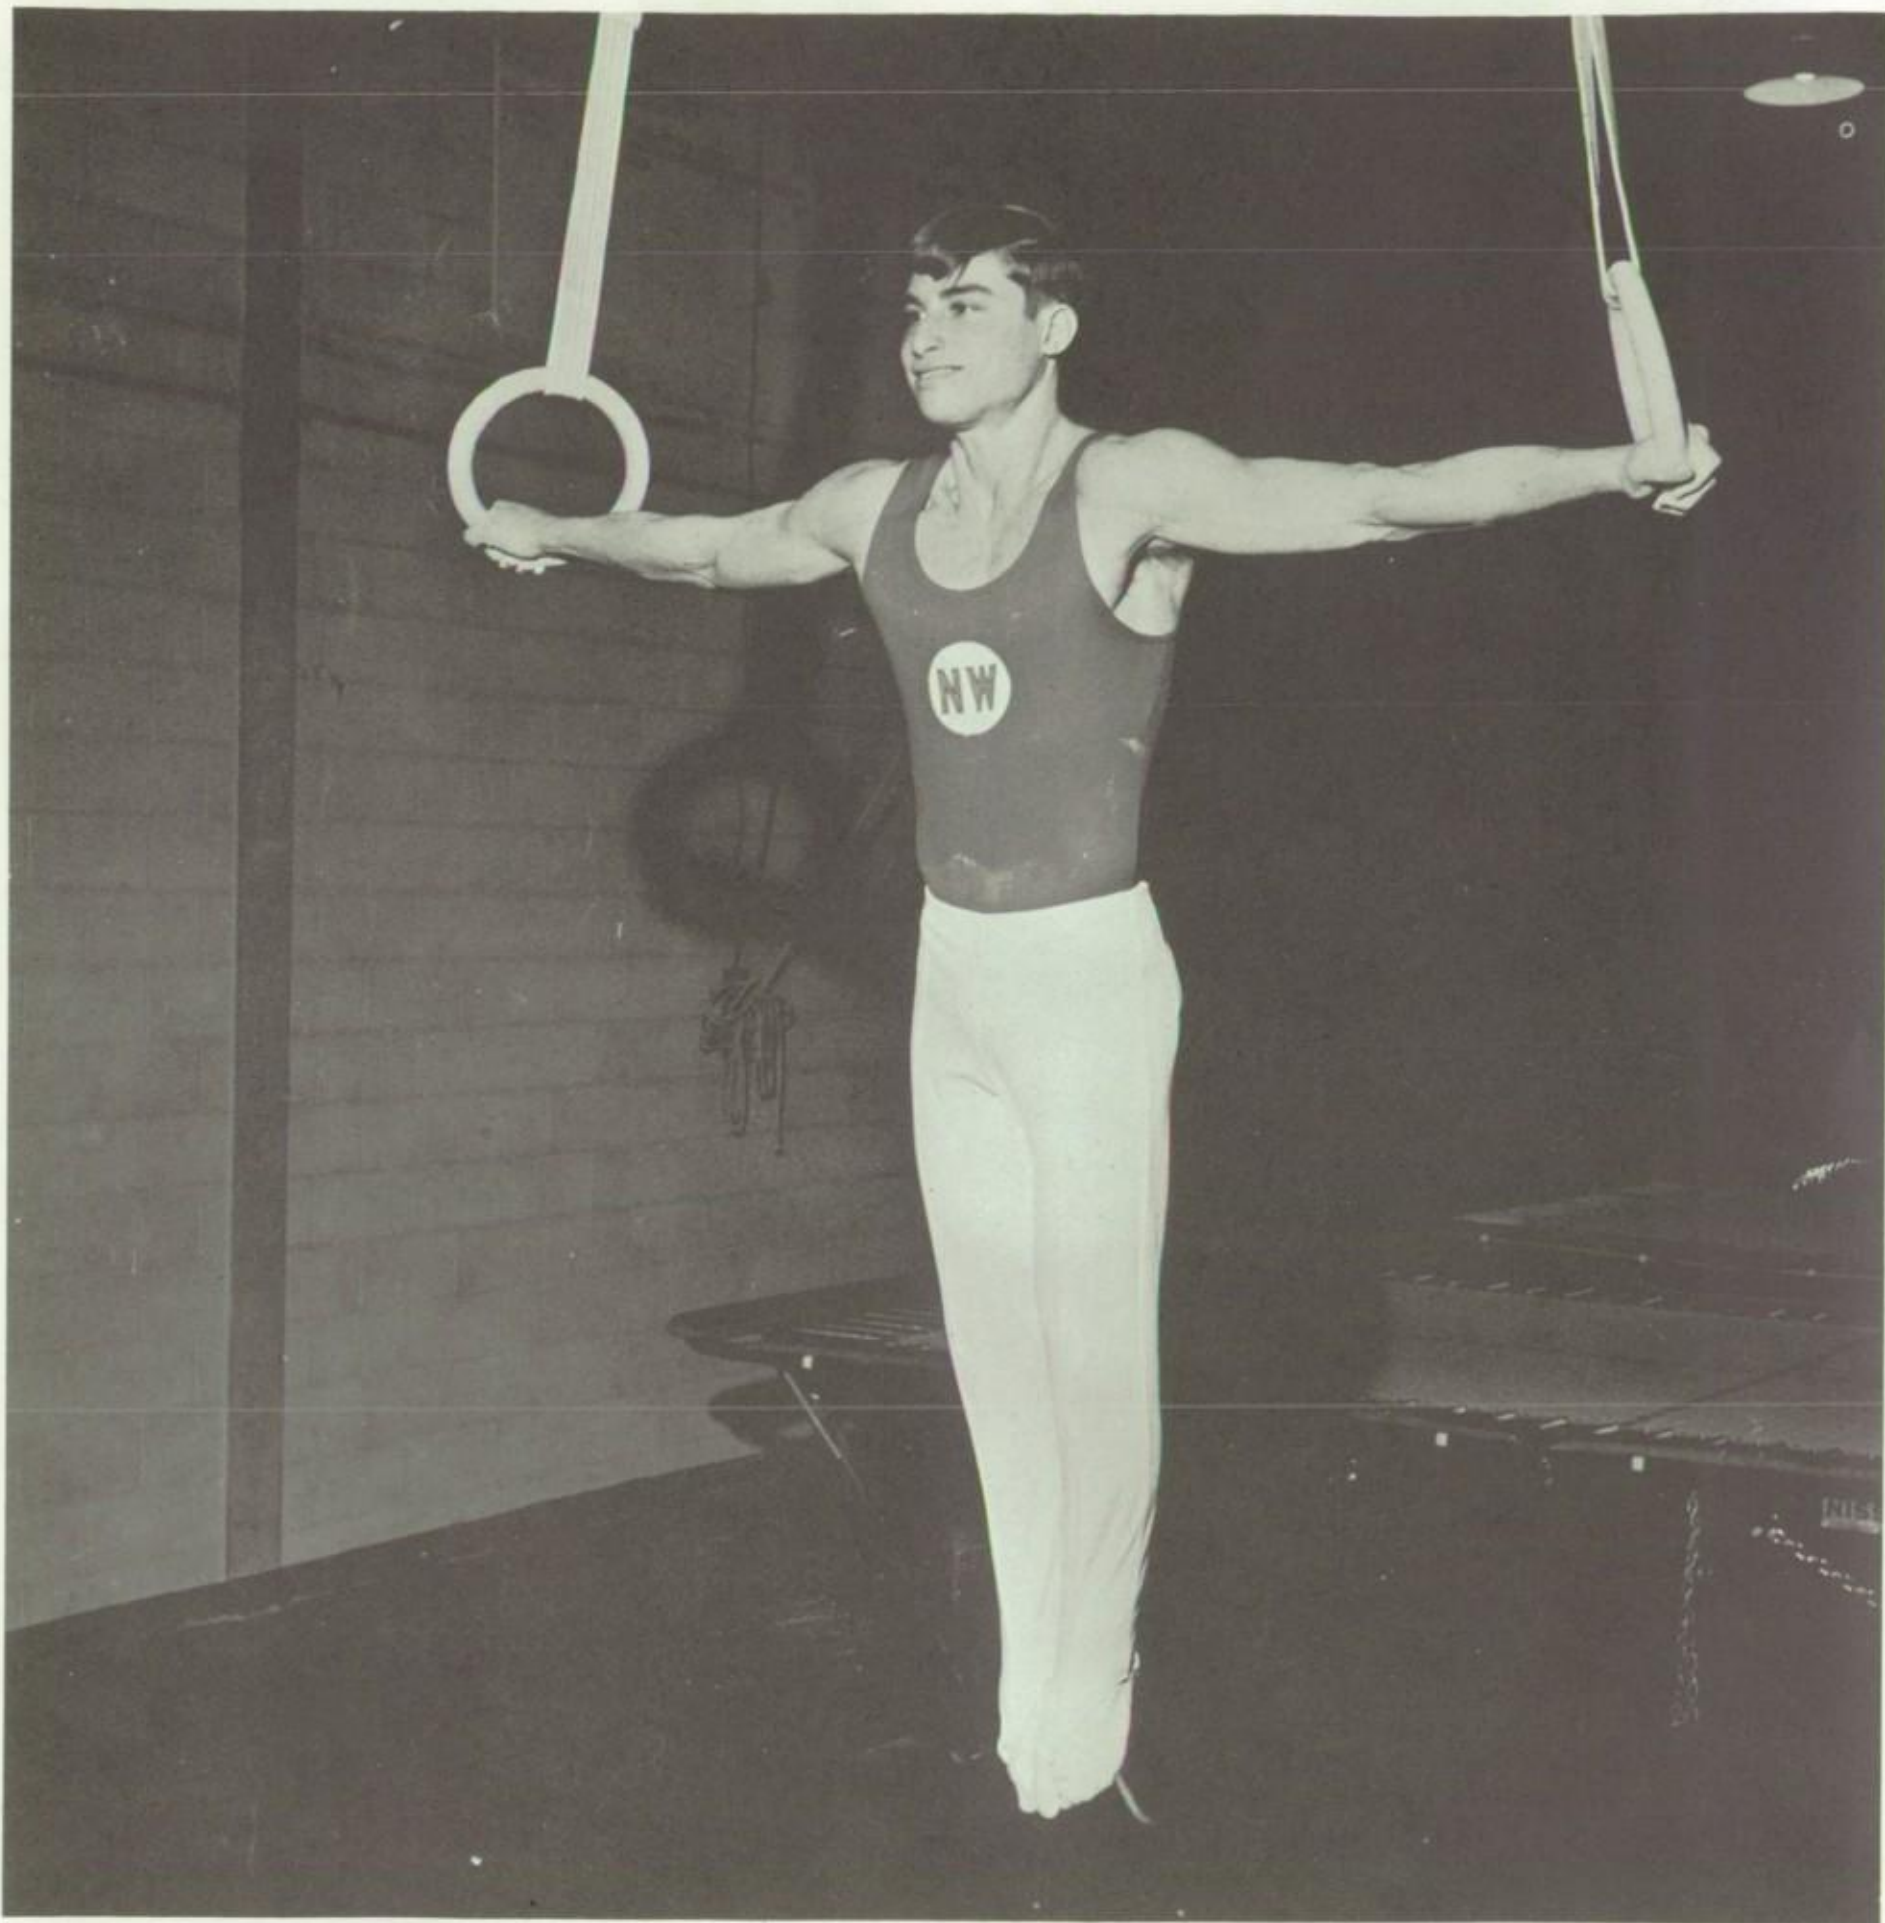

This year Niles West had its first Freshman gymnastic team coached by Mr. Phipps. This team finished a spectacular season undefeated in six dual meets and placed 3rd in the State Freshman Invitational meet. Leon Bresette finished as the top all-around freshman in the state. Other outstanding performers was Rolfe Jaramous on side horse, Robby Lawrence in all-around, Mike Scipione in tumbling, and Scott Thoren on the trampoline.

Coach Burkel feels that all of these boys have excellent varsity potential.

WRESTLING

The wrestling team had a most successful season with seven wins and three losses. High points of the year were the first place finish in the Niles Township Triangular meet and the second place finish at the Prospect tournament. Two boys, captain Mark Yohanna and John Beutler, took firsts in district, Terry Weiss took a second, and Larry Zeman a third. John Beutler was a champion at Sectionals and Mark Yohanna took a third place finish. Both boys were selected all-conference as each won twenty matches, an excellent distinction. Honorable mentions for all conference were Terry Weiss and Jeff Kramer. "Great," was Coach Porter's remark.

The Junior Varsity, under Coach Henrici, compiled an overall record of three wins and five losses, and a league record of 2-3. Outstanding performances were made by Tom Cary, Bud Glassberg, Al Greenberg, Bruce Mulin, and John Kramer.

FENCING

Niles West had a new team this year, but newness was no barrier for the fencers. With the coaching of Mr. Leipold, the fencers had a dual meet record of five wins and seven losses. At the University of Illinois Congress Circle tournament, the A team finished fifth, the B team was second, and the C team finished third. At the State tournament, the team was third. Alan Oberrotman took an eighth place award and Jeff Schroeder finished in ninth place. Outstanding fencers were captain Tom Karr, Scott Braverman, Jeff Schroeder, and Alan Oberrotman. A new tradition has been started at Niles West.

Dear Mary Lou,
 I've been really bad news and I hope
 if we do get in a class next year
 the teacher won't be like him. I'll
 have a good summer with some
 friends and maybe well find some
 fun do. Love kind work

Dear Mary Lou,
 Like his I have been
 very, very fun being with
 you in the alto section for 3 years.
 You are a real nice, sweet girl.
 Good luck always & have
 a Super Summer.

Love,
 Carole Tobias

Mrs. Marjory R. Schwab

BONA FORTUNA

Mrs. Schwab

Upon Mrs. Schwab's retirement, after twenty-nine years of service in this community, the students of Niles West are losing not only a fine teacher, but a very dear friend as well.

Mrs. Schwab is a person of warmth and compassion, a woman whose interest in life and people is constant and enthusiastic. Her efforts in behalf of Latin Club, Unicef, and homecoming reveal an involved personality that has always been an inspiration to those around her. Her former students often come back to visit and always receive a most cordial welcome.

In teaching, Mrs. Schwab's philosophy of education involves the individual's total development, his entire expression as a student. She welcomes discussion and encourages her students to relate their experiences and observations to the subject matter. Because of this her lessons are alive and the Latin students find their ancient study enjoyable and enlightening.

Niles West will miss Mrs. Schwab's warmth and understanding and wishes her bona fortuna in all that she does.

Vale, Mrs. Schwab

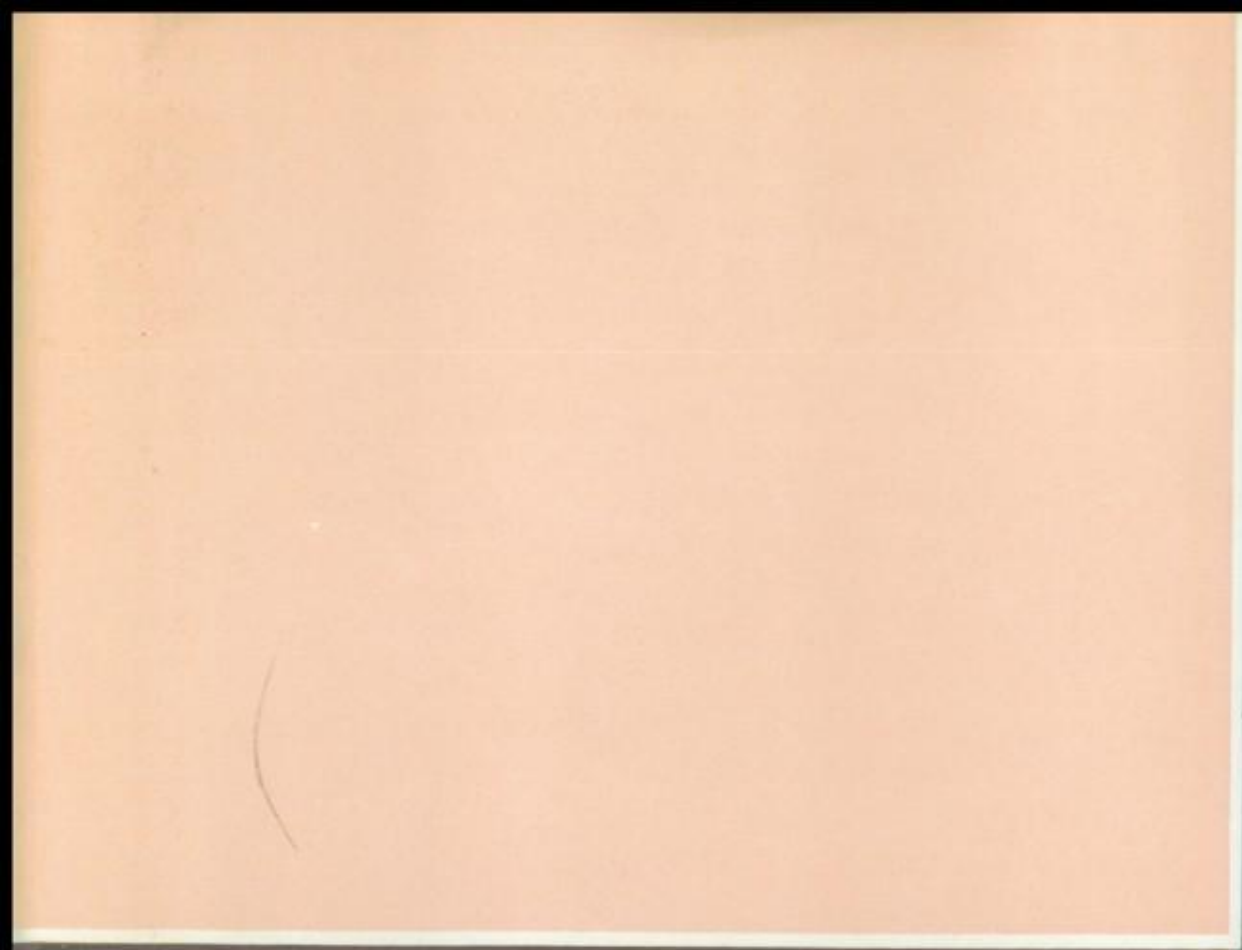

Dear Mary Lou
 I hope you get
 ahead in the future
 cuz you'd sure look
 funny without me.
 See ya next year
 Love always
 Jelly

No longer a step,
 But a stride has been taken.
 No longer a grope,
 But a reach.
 The student,
 In his confidence,
 Has but to attempt,
 And he may attain,
 Has but to ask,
 And he may achieve.
 No longer afraid,
 He decides for himself,
 For he is now mature,
 An entity in his own right.

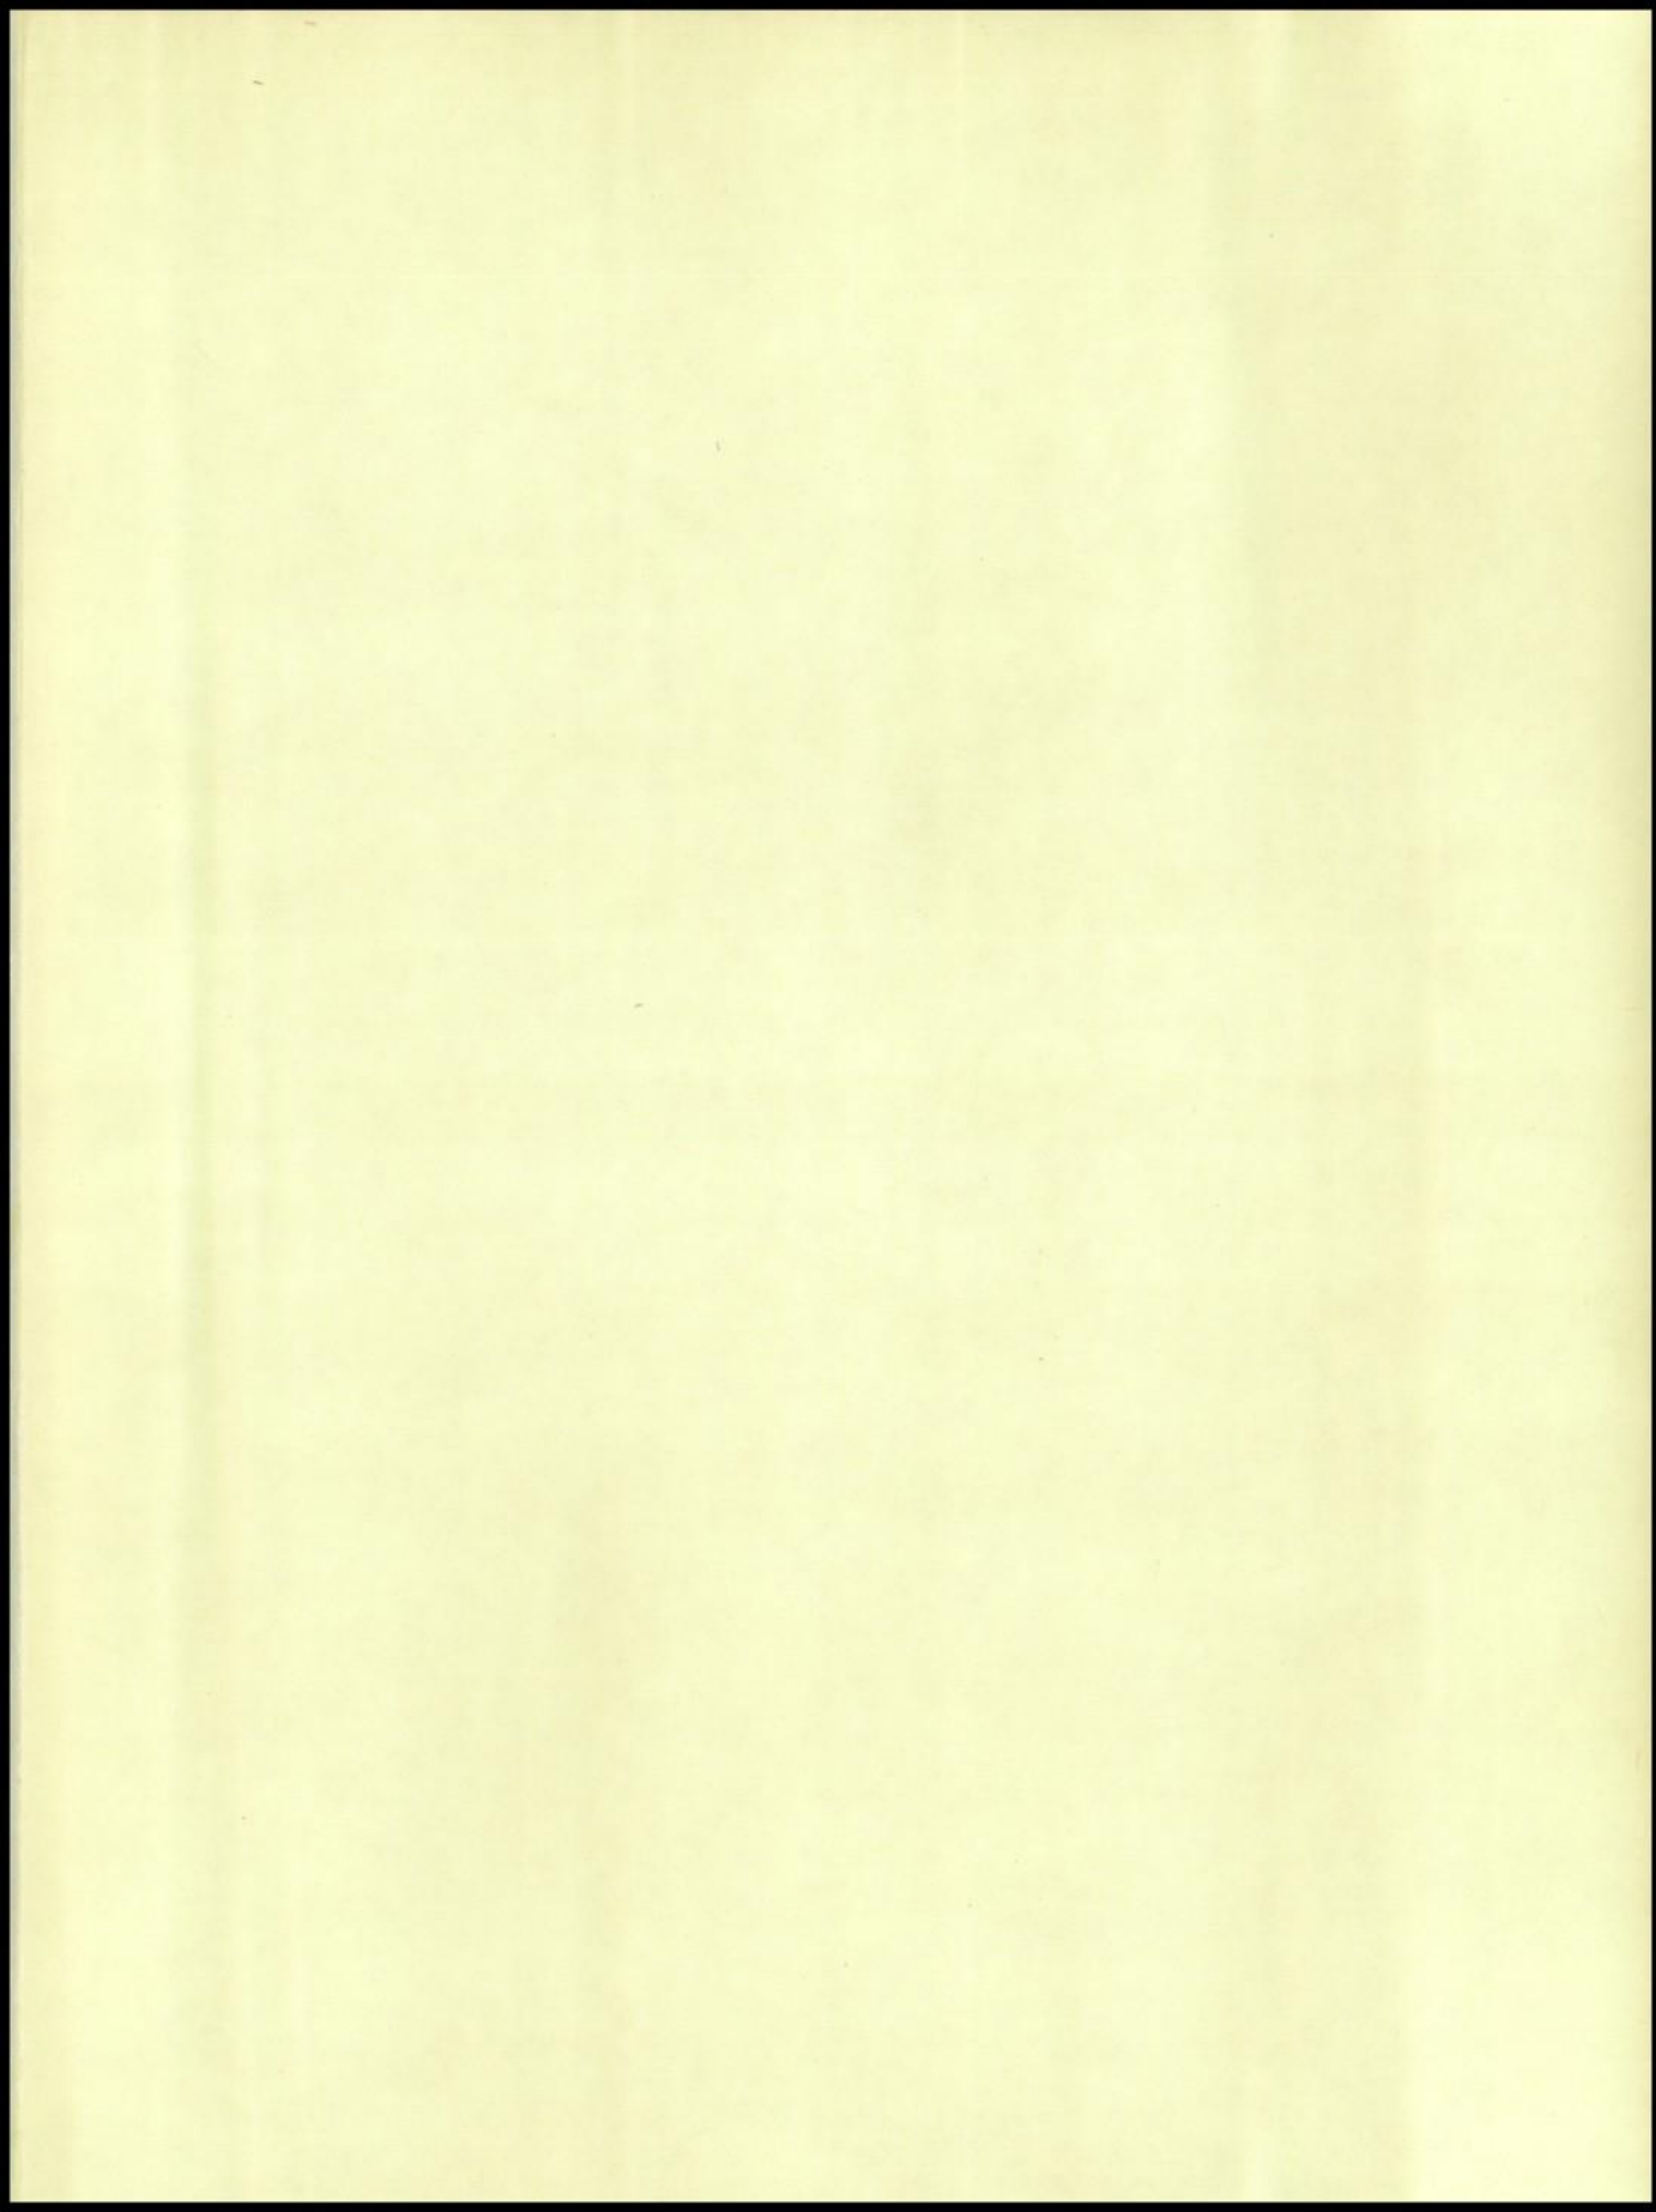

Dear Mary Lou —
 I sure hope we both find
 some boy friends before prom
 next year. I'm pretty sure we
 want. Only kidding. See
 you this summer and be
 good if you can.
 Love,
 Karen

Dear Mary Lou,
 It's been a lot of fun know-
 ing you for the past three
 years. I hope we're in the
 same homeroom next year
 to. Have fun this summer
 Love
 Mary

Dear
Mary Lou,
It's been a riot
in choir this year and
since we survived another
year of Mc Gee, will be com-
ing back next year for more!
Maybe next year will be in the
same gym class again! Oh well, it
was fun anyhow. And since your pecking
at what I'm writing, I'll quit. Have a great
summer and don't work too hard! Best of luck!

Luv ya,
Noirine Izymski '68

Dear Mary Lou,
This year in
history has been fun.
I don't know if it? Friedman
wasn't too hard on us at
all.
Just think one more year of
school and we're out to face the world.
I'm kinda scared to graduate, 'cause I don't
know what I'm going to do with myself.
Have a wonderful summer, Mary Lou,
We'll have to go to the beach this summer, OK!
Love ya!
